

STUDENT MARKSMEN STRIVE FOR TROPHY

The Washington Times Cup
Is Prize For Shoot
Tonight.

Washington high school student marksmen will compete at Winter's Armory tonight for the handsome silver cup presented by The Washington Times.

The trophy was won last year by the team representing the Third Battalion and is now in McKinley High School. According to the conditions under which it was presented, it must be shot for annually until it becomes the property of a battalion winning it three times.

The winning team last year was made up of L. S. Zehler, L. C. Cecil, H. M. Davis, F. S. Chamberlain, and W. U. Hutterly. Their scores were 94, 91, 88, 88, and 91, respectively, a total of 450 out of a possible 600.

Besides the cup, The Times presents each man of the winning team with a bronze medal. The contest tonight promises to be one of the most interesting of the week's interschool shooting.

Teams of five men each from each battalion are eligible to compete, and all of the high schools of the city will be represented.

The company team match which ended last night was won by Company D, of McKinley Manual Training School. The silver cup, which is given by Capt. Sheridan Ferree, will be presented tonight. Company E, of Business High School, won second honors, and each member will receive a medal.

The individual scores were as follows:

Company D, McKinley—A. L. Gersdorf 94, A. J. Ahern 90, G. L. Kraft 81, J. T. Chamberlain 89; Company E, Business—R. S. Nash 89, J. D. Keane 90, J. E. Gordon 88, J. C. Dulin 81; Company H, Western—A. F. Garner 85, Paul Richmond 90, T. M. Rector 91, T. M. Rolle 89; Company I, Central—B. Hospital 91, L. M. Leonard 90, H. S. Morrison (second best score) 92, F. F. McKinley 82; Company C, McKinley—T. C. Rathbone (the best score) 93, A. M. Brown 88, R. Bloom 76, W. Grigby 79; Company L, McKinley—W. U. Hutterly 87, A. J. Hutterly 90, A. H. Gerber 86, P. V. Rogers 89; Company G, Business—E. C. Fubershaw 88, A. E. Steinem 74, W. E. Johnson 82, W. Brock 87; Company A, Central—A. Feltman 88, E. Dix 87, R. B. Ransom 89, H. H. Shinnick 90; Company B, Central—H. W. Hodgkins 88, J. L. Farden 87, T. G. Burke 89, P. A. Chamberlain 87.

Additional prizes offered by the merchants of Washington will be presented to the student marksmen next week.

MYSTERY IN CAUSE OF MINE EXPLOSION

West Virginia Officials Investigating
Accident Which Resulted in
Three Deaths.

FAIRMONT, W. Va., April 16.—State mine inspectors are today investigating the causes of the explosion in the Georges Creek shaft, which yesterday killed three miners, injured two others, and did great damage to the company's property.

The bodies of those killed, Leanny Cook, of Barracksville; Charles F. McDonald, of Gray's Flats, and Robert Maynard, of Barracksville, were badly mangled.

Considerable mystery surrounds the explosion. The men who lost their lives were about 120 feet from the surface when the explosion occurred.

DOWNEY DISCUSSES GOOD CITIZENSHIP

In a lecture on "Good Citizenship" delivered to the members and friends of the Association of the Oldest Inhabitants of the District, in the Public Library last night, William F. Downey explored the tendency of our churches to "split up" into hundreds of conflicting elements.

"To be a good citizen," continued Mr. Downey, "is a man, possessing three essential traits of character, namely, he must be true in his duty to God, true in his domestic duty, and true in his business duty."

Mr. Downey has been a resident of Washington for over fifty years, and for the past twenty-five years has labored among the criminal and poor classes of the city. He is the staunch friend of the "hobo." President Roosevelt said he was "the most useful citizen in Washington."
